General Information

- For 50%, 75% and 100% penalties, we penalize the Total Fare. Total Fare is defined as Cruise Fare, Air Supplement, Transfer Services and Pre/Post Cruise Vacation Packages.
- For full 100% penalties, the refund will ONLY include: Taxes, Fees and Port Expenses; Fuel Supplements; Optional Prepaid Gratuities.
- If the 3/4/5th guest cruise fare is less than the penalty amount, we will keep the cruise fare plus the non-commissionable fare up to, but not exceeding the net penalty amount.
- Full commission is paid for all bookings that cancel and are assessed a penalty equal to 100% of the total fare.
- If a participating guest cancels a fully paid booking outside of 100% penalty and has a qualifying VPP Trip Cancellation refund request paid by Aon Affinity, Carnival will protect the travel agent's commission at the lesser of 10% of Carnival's cancellation penalty or of Aon Affinity's refund payment, at a maximum of \$100 per booking for sailings six days or less and \$200 per booking for sailings seven days or longer. Carnival's Refund Department will mail out the protected commission check to the travel agency approximately 60 days after the Trip Cancellation refund is provided to the guest by Aon Affinity.
- Cancellation confirmations are available on GoCCL for our travel partners.
